

Chowtime Chaos is an easy-to-pick-up tabletop card game where you battle it out to claim the most dishes!

The last one to play the ingredient card takes it all! But be careful – for rotten ingredients...

Do you have what it takes to be the slyest one in your group, the one with the quickest hands, and walk away with the most points?

Sounds Interesting?

We've got a surprise at your nearest Toys"R"Us, Popular and others... ;)
